Dear Dr Cherrez,

I just wanted to formally thank you for your assistance and contributions of the maternity study which we have undertaken in Sotomayor Hospital in Guayaquil. During the past two years, you and your team have been tremendous assets to this collaborative project, with is aimed to assist in the improvement of maternal and child health.

Your work has exceeded expectations. It has been a pleasure to work with such a dedicated and responsive team, and the data that your team was able to gather has been a very significant contribution in the investigations. Your commitment and integrity have been very impressive.

I look forward to continued collaborations in the future, and would highly recommend you and your team without hesitation.

With best regards,

  
Amy S Kravitz MD, MSc, MA
